BELENA

**BOURGOGNE HAUTES CÔTES DE BEAUNE
VIEILLES VIGNES**

THE STORY

Belena is a tribute to the city of Beaune located in the heart of Burgundy. Indeed Belena means Beaune in Latin. The identity of this great Burgundy Brand is to leave the different terroirs free to express themselves through our prestigious Burgundy appellations.

TASTING NOTES

Its dark color with purple accents is reminiscent of peony flowers or the depth of certain roses. The fruity nose evokes Morello cherries and raspberries, it evolves towards blackcurrant, licorice to the undergrowth, often with a hint of spice. A classic Burgundy Red wine from the Beaune area.

WINEMAKING

100% manual harvesting, with a strict selection of the grapes in the vineyards and at the winery, steeping whole berries scuffed by gravity. Enzymage, yeast addition, maceration cold a week, daily punching down, final hot maceration. Fermentation about 3 weeks. Part of the cuvée is matured into French Oak barrels for about 10 months.

FOOD PAIRING

It pairs well with roast meats, mild curry, pork tenderloin, veal, lamb, chicken and turkey.
