LES GRANGES

BORDEAUX RED

THE STORY

The estate belongs to the Barrier family since 1850 when the phylloxera destroyed their entire vineyard. Robert Barriere, the grandfather of the present owner, is the first president of the Sauveterre winery. Then comes the frost of 1956 where all the vines were replanted again. Merlot and Cabernet Sauvignon are worked in a reasoned way, without chemical fertilizers in order to perpetuate the tradition of the ancestors, giving a fine wine, fruity and colorful.
