The Bellagio bath shower mixer with diverter by Matteo Thun is more than a simple tap, it is a way of viewing the bathroom as a place of refined elegance. It is a timeless element of the decor which confirms its metropolitan and contemporary personality in any environment. Bellagio is an aristocratic and exclusive citizen of the world, despite having such an Italian name testimony of the industrial background in which it has been created.

The Bellagio bath shower mixer with diverter allows you to divert the water between two shower outlets or a bath and shower outlet. Featuring a flawlessly polished forged brass wall plate 130mm wide.
