The Bellagio freestanding bath shower mixer with shower set and pillar taps by Matteo Thun is more than a simple tap, it is a way of viewing the bathroom as a place of refined elegance. It is a timeless element of the decor which confirms its metropolitan and contemporary personality in any environment. Bellagio is an aristocratic and exclusive citizen of the world, despite having such an Italian name testimony of the industrial background in which it has been created.

The Bellagio freestanding bath shower mixer with shower set and pillar taps has Zucchetti's exclusive installation system which features a levelling system and multi-point fixing. This ensures a perfectly perpendicular and rigid installation. Features include bath tap set with smooth operating 1/2 turn spindles with distinguished and detailed hot and cold indicators on the handles are enhanced with the Zucchetti insignia, brass handshower and 1500mm flexible hose.

Spout projection is 294mm.
