The Bellagio wall mount basin tap set by Matteo Thun is more than a simple tap, it is a way of viewing the bathroom as a place of refined elegance. It is a timeless element of the decor which confirms its metropolitan and contemporary personality in any environment. Bellagio is an aristocratic and exclusive citizen of the world, despite having such an Italian name testimony of the industrial background in which it has been created.

The Bellagio wall mount basin tap set features smooth operating 1/2 turn spindles with distinguished and detailed hot and cold indicators on the handles that are enhanced with the Zucchetti insignia.

Spout projection of 191mm.
