Flower Crowns - \$25 pp

This is such a wonderful activity, best suited to over 8 yr olds. Artificial flowers and foliage's are wired together and then placed onto the base wire and wrapped in florist tape to secure. When they have reached the desired length matching ribbons are tied on and these hold the crown firmly in place. Such fun to wear and look very sweet hanging over a mirror or door.

Sun Catchers - \$20 pp

Beaded sun catchers are so much fun to make and ideal for little ones. They can choose their beads and we teach them how to thread on. The light catches and sends prisms around the room when the sun shines.

Crepe Paper Lantern - \$16 pp

A mason jar has colourful crepe paper squares glued onto the outside of the jar. Cut out butterflies, stars & hearts can be glued on as well. The lid is then decorated to match and a little battery light is placed in the middle. A gorgeous glow shines through the coloured jar, a perfect and unique nightlight for any youngsters room

Fairy Silhouette Lantern - \$20 pp

A glass jar is dusted with glue & glitter, then a silhouette black fairy is added to the inside. The top of the jar is decorated in a whimsical look and then a battery light is added to the centre so that the fairy is silhouetted against the jar in a beautiful authentic glow.

Decorated Flower Letter - \$22pp

Each child is given the paper mache letter of their first name. It is painted and decorated with artificial flowers & berries. These are really fun to do and can hang or stand when finished.

Unicorn Dream Catcher - \$25pp

A fun and creative activity for 6-10 yr olds. The younger children will have a modified web design and the older ones can try their hand at the middle web, with the help of an adult. Unicorn ears and horn are added then flowers to decorate the forehead. Colourful wool & lace strips added to the bottom of the hoop and of course glitter for the final whimsical look.

Solar Fairy Luminaire Lantern - \$25 pp

This delightful project can be adjusted to be Fairy, Halloween, Xmas or Unicorn. Inside the glass jar is decorated with sparkly embellishments, moss, flowers and a focal point e.g little fairy, then the solar top attachment is added and then decorated around the top edge with matching bits & bling. At night these gorgeous jars turn on as if my magic and make a pretty glowing night light in their bedroom.

Fairy Wand - \$14 pp

Sweet activity for the little ones, east to hold wand, decorated with bling and a choice of ribbons to wave around

Fairy Moon - \$16 pp

This delightful & popular activity is ideal for younger children (4-7) as no hot gluing involved.

Children choose the colour to paint the moon, it is dried then gems, stars etc and glitter to embellish.

A pretty hanging adornment to their bedroom.
