

# SNUGGLES CHICKEN & RICE BLEND

**My  
Perfect  
Pet**

Snuggles Chicken & Rice Blend for adult dogs is our most bland diet. Every day vets send people home to make chicken and rice and Snuggles Chicken & Rice Blend is just what the vet ordered! We use the same ingredients you would use at home, but we ensure that it meets all the nutritional requirements of an adult dog. We add a few extra cranberries too since they help to promote a healthier digestive

and urinary tract. While chicken and rice is often recommended for dogs with upset stomachs, our blend is nutritionally complete and balanced for life – so no need to go back to feeding anything that caused a problem in the first place
