ELECTRIC FRYER

DCF10E 1 basket / 5L

High efficiency hotline, fast heating speed, uniform temperature, and energy saving.

Oil tank

Fryer Baskets

Knobs

PRODUCT DESCRIPTION

- ✦ The furnace body is made of stainless steel, and the oil basin is thickened stainless steel, resulting in a robust structure that boasts exceptional durability.
- 🛒 The whole machine design is novel, reasonable structure and convenient operation.
- 👤 Humanized cooking, easy and comfortable.
- 🧠 The handles are designed to remain cool to the touch, preventing burns and providing a comfortable grip. Additionally, the detachable parts make cleaning effortless.
- 🌡 The thermostat is designed with a power button switch to extend its lifespan, as well as automatic heating shut-off when the desired temperature is attained, and automatic restart when the temperature falls below the set point.

HIGH QUALITY STAINLESS STEEL & ROBUST DESIGN
