Talk about 'these dreams' coming true!!! Come join us!" – STYX singer/guitarist Tommy Shaw

STYX released their 17th album, CRASH OF THE CROWN, on the band's label, Alpha Dog 2T/UMe, which is available as clear vinyl, black vinyl, CD, and on [digital platforms](#) and at [Styxworld.com](#). It debuted on Billboard's "Rock Albums" chart at #1 its first week out.

CRASH OF THE CROWN is the follow-up to STYX's 16th studio album, THE MISSION (their first in 14 years at the time, which critics called "a masterpiece") which was released June 16, 2017 on the band's label, Alpha Dog 2T/UMe. The highly anticipated two-disc reissue of THE MISSION was released on July 27, 2018 via Alpha Dog 2T/UMe, which includes a CD of the original album, as well as a Blu-ray of the album mixed in 5.1 surround sound accompanied by stunning visualizations for each of the album's 14 songs based on the album artwork. It originally debuted on various Billboard charts, including: #6 Top Rock Albums, #11 Physical Albums, #11 Vinyl Albums, #13 Current Albums, #14 Billboard Top Albums, #16 Retail, #17 Mass Merch/Non-Traditional, #29 Digital Albums, and #45 Billboard 200 (includes catalog and streaming).

NANCY WILSON is celebrated as a seminal musician in rock 'n' roll history. A guitar virtuoso from the age of 9, Nancy (and her sister Ann) lead the multi-Platinum rock group, Heart, who have sold upwards of 35 million albums. WILSON is revered as an ingenious guitar player, and as a gifted lead vocalist. As a songwriter, she has co-written a collection of indelible songs that have earned their way into the classic rock canon ("Magic Man," "Crazy on You," "Barracuda," "Straight On"). Both WILSON sisters were inducted into the Rock & Roll Hall of Fame in 2013, and were honored with the ASCAP Founders Award in 2009, ASCAP's most prestigious honor, awarded to songwriters who have made pioneering contributions to music. In 2020, WILSON turned her attention to recording the first solo album of her storied career, and signed with global label partner Carry On Music for the release of her solo album, YOU AND ME, which was released May 7, 2021. WILSON plays guitar on and sings on all the songs on the entire album, which includes nine new, original songs, including "4 Edward," a tribute to the late Eddie Van Halen. The first single from the album is her stunning rendition of Bruce Springsteen's "The Rising."
