Rental Package

Servicing

The rental covers all servicing, repairs and a quarterly visit where the machine is cleaned and checked. In the event of a break down we will either repair the machine on-site next working day or collect the machine for repair and install a loan machine.

Site requirements

The machine operates from the built-in water tank – No mains water connection required.

Requirements:

- 50 – 100 Staff / Coffees per day (Min 50)
- Two standard 10 amp power points
- Bench width – 600mm (1 x 2ltr milk fridge) or 750mm (2 x 2ltr milk fridge) – Add 150mm for Prosteam
- Height above bench top – 650mm

Accessories

The rental includes your choice of milk fridge. Milk is automatically drawn from the fridge to make milk coffees. The 2-carton milk fridge includes two milk lances that allow you to easily plug into your preferred milk, full cream or lite, without being in contact with the milk.
