Servicing

The rental covers all servicing, repairs and a quarterly visit where the machine is cleaned and checked. In the event of a break down we will either repair the machine on-site next working day or collect the machine for repair and install a loan machine.

Site requirements

The machine operates from the built-in water tank – No mains water connection required.

Requirements:

- 20 – 50 Staff / Coffees per working day (Min 20)
- 2 standard 10-amp power points (3 if connected to plumbing)
- Bench width – 620mm (1 x 2ltr milk fridge) or 750mm (2 x 2ltr milk fridge) – Add 150mm for Prosteam
- Clearance required above bench top – 600mm

Accessories

The rental includes a milk fridge. Milk is automatically drawn from the fridge to make milk coffees. The 2-carton milk fridge includes two milk lances that allow you to easily plug into your preferred milk, full cream or lite, without being in contact with the milk. Adding the ProSteam allows staff to steam their milk choice from lactose-free to soy, oat and almond.
