

Lelit Giuletta X 2 Group

Rental Package

Rent a fully maintained Lelit Giuletta X 2 group espresso machine and Eureka Mignon XL grinder on a monthly basis and select from 20+ popular brands of coffee beans.

Lelit Giuletta 2 Group

The Lelit Giuletta X 2 group espresso machine manufactured by Lelit coffee machines in Italy is perfect for making 50 – 100 coffees per day. The PID controlled 10-litre copper boiler with transversal heat exchangers and front injector keeps a constant water temperature for perfect espressos without the need to cool flush. With a polished stainless-steel front panel and brushed stainless steel side panels the Giuletta looks great in almost any environment. At just 58cm wide and with the ability to operate from a standard 10-amp power point the Lelit Giuletta is ideal for locations with limited bench space.

Rental

Term	Weekly rental (ex GST)

Lelit Giuletta X 2 Group

Rental Package

Servicing:

The rental covers all servicing, repairs and a quarterly visit where the machine is cleaned and checked. In the event of a break down we will either repair the machine on-site next working day or collect the machine for repair and install a loan machine.

Site requirements

The machine requires a plumbing and drainage point – Specification available.

Requirements:

- 50 – 100 Staff / Coffees per day (Min 50)
- 2 x standard 10-amp power points
- Bench width – 800mm (Lelit Giuletta 2 group and grinder)
- Clearance required above bench top – 600m

Eureka Mignon XL Digital grinder

The Eureka Mignon XL 65E coffee grinder has commercial 65mm flat burrs, continuous micrometric grinding adjustment and 2 x programmable grind times as well as a manual dosing option

Coffee beans

Advantages of freshly roasted coffee beans over pre-ground capsules;

- **Cost** – Cost per cup is far less resulting in large savings over the rental period.
- **Choice** – Select from 20+ coffee brands at competitive market rates.
- **Quality** – Enjoy the full flavour and aroma of freshly ground coffee.
- **Environment** – Beans are better for the environment as far less packaging is used
- **Personal preference** – Use a single shot or a double shot for a strong coffee or mug

Cost per cup - Espresso

Item	Quantity / Description	Cost per cup (cents)
Coffee (\$38 per kg)	9 grams per cup	34.2
Machine rental	Coffee machine & Milk cooler / fridge	10.0
Servicing	Free	0.0
Cost per cup		44.2

Based on an office of 100 staff drinking an average of one coffee per day = 500 coffees per week.
