206A/B

Bell Helicopter

Maintain your Jet Ranger with DART's cost effective solutions and reduce your recurring maintenance cost. Select from a wide variety of refurbishment solutions: durable landing gear compatible with OEM components, corrosion resistant engine mounts, quick replacement windshield solution, and cable cutters.

FEATURED PRODUCTS

1 Tri-Bag emergency float system with integrated liferafts

Offers external liferafts for added safety during overwater missions and Tri-Bag™ float design for better buoyancy and safe salvage operations.

- Significant weight reduction over OEM
- Cabin space savings with integrated liferafts
- Longer maintenance intervals
- Automatic electrical inflation upgrade available
- Also available without liferafts
- R&O services available

GEAR UP

2 Skidtubes with heavy duty wearplates

Comes equipped with the rugged, patented Round-I-Beam™ including anti-corrosion primer and the toughest skidtube protection available, the DART heavy duty wearplates.

- Innovative thru-bolt full length stainless steel wearplates
- Heavy duty tungsten carbide welds
- Best skidtube option for the most abusive conditions
- Custom paint finishes available
- Float compatible variant available

TUNE UP

3 Floor protectors

Manufactured from high quality aerospace grade, thermoformed polycarbonate.

- Superior resistance to cracking and discoloration
- Impact, UV, heat and cold resistant
- Available for pilot, co-pilot & passenger areas

GEAR UP

4 Cable cutter system

Prevent possible wire or cable strike on flight controls.

- Added safety
- Lowest acquisition cost and shortest lead time
- Includes upper, lower cutters & wiper deflector
- Industrial cutting blades with combined tensile strength of 14,000 lbs (6,350 kg)

GEAR UP

5 Rear locker extender

Constructed from a high quality, rugged composite, the Rear Locker Extender increases the baggage compartment capacity.

- Extends compartment capacity by 21" (53 cm)
- Lightweight composite construction
- Easy to install

GEAR UP

6 Stainless steel engine mounts

Sleek and robust replacement for OEM engine mounts.

- Improved wear/rework limits
- Increased corrosion resistance
- Approved for individual replacement
- Best lead time
- Lowest acquisition cost

TUNE UP

7 Screw-in windshield

Replaces windshield retainers with quick change out retainers.

- Reduced downtime
- Secured with screws not rivets
- After installation, windshield can be replaced in 2 hours per side

TUNE UP

8 Bell 206A/B field maintenance kit

Includes over 35 essential tools to perform routine maintenance on 206A/B in a custom, convenient rolling case for ease of transportation.

- Ideal for off-site maintenance
- Amazing value

GEAR UP

- Agricultural Spray System
- Antenna Crosstube Mount
- Avionics Console
- Baggage Compartment Protectors (Floor & Wall)
- Bearpaws with Wearplates
- Cable Cutter System
- Cargo Mirror
- Cyclic Friction
- Electric Swivel
- Emergency Floats (OEM Replacement)
- External Torquemeter
- Firefighting Bucket
- Floor Protectors (Pilot, Co-Pilot, Passenger)
- Fuel Scupper
- Cargo Basket
- Nubbins Receiver
- Long Lines
- Rear Locker Extender
- Remote Cargo Hook
- Tail Rotor Pedal Lockout
- Tri-Bag Emergency Float Systems w/ or w/o Liferafts
- Utility Floats (OEM Replacement)

TUNE UP

- Crosstubes (High)
- DART Wearplates and Wearpads (Standard, Heavy Duty)
- Door Openers
- Heli-Access-Steps™ (Standard, Crew, Float)
- Maintenance Steps
- OEM Replacement Wearpads (Standard)
- Pre-Flight Safety Access Kit
- Screw-In Windshield
- Skidtubes (Standard, Float, Heavy Duty)
- Stainless Steel Engine Mounts (OEM Replacement)

TOOL UP

- Aircraft Disabling Device
- Airframe & Rotor Tools
- Engine Tools
- Field Maintenance Kit
- Ground Handling Wheel Kit
- Staking Tools
