MEDIUM 412/212/ UH-1/204/205/210/214

Bell Helicopter

With hundreds of custom products, we have the equipment you need to accomplish any mission this aircraft can undertake.

Now approved for Increased Gross Weight (IGW) to 12,200 lbs.

FEATURED PRODUCTS

1 Tri-bag™ emergency float system with integrated liferafts

Offers external liferafts for added safety during overwater missions and Tri-Bag™ float design for better buoyancy and safe salvage operations.

- Up to 20% lighter than OEM
- Cabin space savings with integrated liferafts
- Mechanical and automatic electrical inflation system included
- Hoist compatible option available
- Available for factory installation or field retrofit
- R&O services available

GEAR UP

2 412 Blade folding kit

Eases hangar storage by allowing the rotor blades to be stowed in line with the helicopter fuselage. 2 people can fold and secure blades in 10 minutes. Can also be accomplished by a single person.

TOOL UP

3 412 Stainless steel AFT crosstube

The most durable aft crosstube available for the 412. Innovation translated into savings for operators.

- Increased life-limit to 40,000 landings
- 4x more durable than regular crosstubes
- Up to 55% cost-of-ownership reduction
- No periodic FPI; less downtime and reduced operational costs

HUGE SAVINGS!

TUNE UP

4 Fire attack system

Proven and perfected, our firefighting kit for the Bell 205-A-1, 212, 412/EP, AB412, & UH1H, is a workhorse in the aerial firefighting industry.

- Day/night VFR approved-FAA, TC, EASA, ANAC, CAAC, DGAC, JCAB certified
- Cockpit controlled selectable drop pattern and foam percentage
- Optional aft hook kit allows pilot to stow hover pump and rapidly deploy at water source
- Belly-mounted, carbon fiberglass composite tank w/ cargo hook access
- 1, 2, or 3 door salvo drop
- Water and foam capacity: 395 USG/1495L

GEAR UP

5 Cargo basket

- Available with quick release
- Corrosion-resistant stainless steel construction
- Self-locking handle
- Easy bolt on installation
- Heavy duty lid doubles as a step or walkway for maintenance

GEAR UP

6 Floor protectors

- Durable, lightweight protection for the cabin cargo area honeycomb flooring.
- High strength, impact-resistant polycarbonate
 - Slip resistant texture
 - Dark gray colour
 - Maintains access to all seat & tie down points

GEAR UP

7 Vertical reference doors

Multiple door options for increased viewing capability during vertical reference operations including:

- Full bubble window
- Half bubble window
- Mounting for critical instruments in field of view

GEAR UP

8 Tools & Ground Support Equipment

Work with DART 3,500 maintenance tools and equipment.

- Shortest lead times
- Target to ship within 24 hrs
- OEM level quality
- Reduced acquisition cost over OEM
- Field maintenance kit available
