# ACUMA ACOUSTIC PENDANT

Our new Acuma Acoustic Pendant is a unique sound absorbing pendant light made from a single sheet of recycled PET felt.

This beautiful design is made from a single piece of EcoPanel, with precision water jet cut "incisions" placed at specific points and stretched into it's bell shape form by gravity.

Suitable for workplace, break-out and corporate settings, this striking design is available in a range of colours to suit any project.

## **DIMENSIONS**

H270 x Dia 800mm

## **MATERIALS**

Recycled PET EcoPanel

## **LIGHT SOURCE**

LED Oyster light  
with onboard driver
