

# FEVERPITCH STAND

## Ultra Mobile TV Cart

**80 KG**  
Weight Capacity

Adjust the screen to the most comfortable angle

Get the message across with the Ultra Mobile TV Cart. Mounted on a 4-point castor base, this mobile monitor stand is designed to help you quickly and easily set up a digital display anywhere, anytime.

Featuring multiple adjustability points, this monitor stand can hold most monitor screens to clearly display policies, instructions, promotions or other important notices. With a classic design and integrated cable management, this monitor stand is ideal for any environment including offices, schools, clubs and retail stores to display signs without distractions.
