NORDIC collection

Product Information

The Nordic Collection is a unique range of furniture made from solid timber and features forged iron trim. From the initial design, right through to our unique, six-stage hand rubbed polishing process, each piece of the Nordic Collection has been crafted with quality and style in mind.

Feel the solid table top surfaces. Admire those heavy, yet finely styled legs. Raised panel doors. Large, solid timber mouldings. Solid dovetailed drawers. The forged iron handles and trim. Each feature assures you of authentic quality and style.

When you buy a piece of Nordic furniture you not only show your appreciation of style and quality but make a positive contribution to the protection and preservation of New Zealand's native forests. Each piece in the Nordic Collection is crafted in renewable plantation-grown pine.

Quality Guarantee

The Nordic Collection is designed and manufactured in New Zealand and carries a 25 year guarantee against any material or construction fault, excluding misuse and normal wear and tear. Fabrics and coverings excluded.

Guarantee applies to original purchaser only and does not apply to commercial applications.

All claims are to be made to the original retailer. Proof of purchase is required.

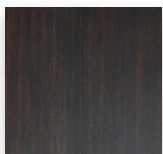

General Care

- Avoid prolonged exposure of furniture to direct sunlight.
- Place furniture away from heat sources where excessive heat may cause timber to shrink.
- For normal cleaning, wipe surface with a damp cloth.
- The lacquer finish has a heat and moisture resistant quality, but liquid spills should be soaked up immediately without rubbing the surface and placemats/coasters should always be used under hot items.

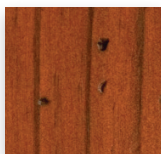

Colours may vary due to the printing process

Colour Options

The Nordic collection is finished in sienna stain with distressed marks, as standard, with four other finish options available on request.

Dark Oak
Clean finish
