BBBS1 SIDE CHAIR

COM PROGRAM IN A BLONDE CHERRY FINISH

CCO-12B8114-3198-XXX

Introducing the BBBS1 Side Chair - the Bowmont Side Chair. This chair was originally introduced in the early aughts and quickly became a best-selling dining chair in the Barbara Barry collection. Reimagined twenty years later, the scale has been slightly reduced for the current consumer while the back of the seat has been lowered to accommodate a modern approach to dining. The tightly tailored silhouette sits atop a wood base with a beaded detail and is finished with elegant cabriole legs that feature an elongated ballerina foot – en pointe.

Chanintr x Co invites you to explore a world of choice, creating interiors that are truly bespoke. Elevate your designs with our COM Program – where every texture, every hue, becomes your decision. Chanintr x Co offers a select range of products that can be upholstered with our own Fabrics and Leathers or your own materials. The choice is yours.

Designed by Barbara Barry

The BBBS1 frame is made of kiln-dried certified Asian Cherry. The tight seat is made of a webbing construction featuring feather, down, and natural latex foam. The legs are made of solid Asian Cherry wood in an open pore, Blonde Cherry finish.

COM PROGRAM

Customer's Own Material is available on this product. The customer may choose from a selection of Chanintr x Co fabrics and leather or they may select their own.
