Introducing the BBOS2 Chair - the Barbara Barry Oval Side Chair 2.0. Barbara Barry is synonymous with the oval. Originally designed in the early aughts, this chair quickly became a best-selling side chair in the Barbara Barry collection. Reimagined twenty years later with a thinner elegant seat resting on perfectly scaled legs, this chair can be used as a dining chair, a side chair in a living room, or a vanity chair in a lady's bedroom. Quietly elegant, the BBOS2 is the new classic.

Chanintr x Co invites you to explore a world of choice, creating interiors that are truly bespoke. Elevate your designs with our COM Program - where every texture, every hue, becomes your decision. Chanintr x Co offers a select range of products that can be upholstered with our own Fabrics and Leathers or your own materials. The choice is yours.

Designed by Barbara Barry

The BBOS2 frame is made of kiln-dried certified Asian Cherry. The tight seat is made of a webbing construction featuring feather, down, and natural latex foam. The legs are made of solid Asian Cherry wood in a Smoked Cherry finish.
