Introducing the Bowmont Oval Dining Table – a captivating centerpiece that elevates your dining space to new heights of sophistication. The scalloped apron pays homage to the artistic finesse of the 1940s, infusing an air of timeless elegance. Crafted from opulent walnut veneers with a deep, lustrous dark brown finish, this table exudes a nod to classic design principles, creating a harmonious fusion of past and present.

The intricate single line inlay tracery at the edge of the top of the table, truly sets this table apart, allowing you to discover its understated beauty and elegance in the quiet moments of dining. The pared-down cabriole legs are made new with a reversed foot finish that is classic Barbara Barry. Elegance finds a new definition in the Bowmont Oval Dining Table.
