PRODUCT CARE

Our marble tops are sealed before shipping, but are porous by nature and can be stained, scratched or chipped. Protect from acidic substances like wine, coffee, fruit juice and tomato sauce. Always blot spills immediately and rinse with a clean, damp cloth. To prevent ring marks, place coasters or trivets under glasses and dishes; use mats or runners beneath hard objects that might scratch the surface. Do not place hot items directly on the tabletop. Do not use chemical cleansers, dusting sprays, abrasive cleaners or furniture polish. Dust frequently with a soft, dry cloth. Wash periodically with a cloth dampened with warm water, and if necessary, a small amount of mild dishwashing liquid. Use a second damp cloth to remove the soap.
