Step into a world of timeless beauty and graceful curves with the HYŌGA Lounge. Inspired by the enchanting designs of the early 1940s, this masterpiece captures the essence of curvilinear artistry, seamlessly blending sophistication with organic allure.

The name HYŌGA holds a world of meaning. In Japanese, 氷河 (hyōga) translates to glacier, a breathtaking symbol of purity and resilience. Meticulously crafted using premium materials, the HYŌGA Lounge is a testament to our commitment to quality and durability.

Inspired by the past, yet perfectly at home in the present, this lounge chair invites you to experience the harmonious fusion of art and comfort. Immerse yourself in the poetic elegance of the HYŌGA Lounge and let your living space resonate with the beauty of its timeless embrace.

Chanintr x Co invites you to explore a world of choice, creating interiors that are truly bespoke. Elevate your designs with our COM Program – where every texture, every hue, becomes your decision. Chanintr x Co offers a select range of products that can be upholstered with our own Fabrics and Leathers or your own materials. The choice is yours.

Designed by Barbara Barry

The HYŌGA Lounge frame is made of kiln-dried certified sustainably-sourced European wood with a sinuous spring construction. The tight seat and back are made of a pocket-coil construction featuring feather, down, and environmentally sound latex foam. A 360° swivel option or a leg option is available. The legs are made of solid Asian Cherry wood in a Blonde Cherry finish.
