Introducing our most popular sofa, the Tailor Made Sofa 230. Originally designed for a private client in Brentwood, CA, this updated version has been thoughtfully scaled for Chanintr and Co with the modern Asian home or office in mind. With its exceptional craftsmanship and attention to detail, this sofa is sure to become the centerpiece of your living space.

Measuring 230cm wide, the Tailor Made Sofa 230 offers generous seating space. The feather and down-filled double seat cushion provides luxurious comfort, while the eight-way hand-tied suspension frame ensures unparalleled support and durability in the American style of construction.

The sofa's down-filled matching back cushions with French seams contribute to its clean and tailored appearance, adding an element of sophistication to its design. The Brushed Dark Mocha Oak legs complete the look, giving the piece a fresh and modern aesthetic that fits seamlessly into contemporary interiors.

Designed by Barbara Barry

The Tailor Made Sofa frame is made of kiln-dried certified sustainably-sourced European wood with an 8-way hand-tied spring construction. The seat and back cushions are made of a pocket-coil construction featuring feather, down, and environmentally sound latex foam. The legs are made of certified solid American White Oak in a Brushed Dark Mocha finish. Two 50x50cm square pillows in the same fabric are included.
