Why you'd want an MGF. Fun, practical, economical, usually reliable and the best-value mid-engined sports car on the market, the MGF has quietly reached 25 years of age without most collectors giving it a second glance.. Yet the Lotus Elise, which shares its powerplant and layout in a more focused (but less practical) package, is soaring in value.. One thing is for sure, as MGFs are scrapped. In the UK, thanks to the massive success of the MGF and TF - both cars being the top selling roadster in its class from launch in 1995 through to the end of production in 2005 - means that there are plenty of MG Rover era cars to choose from, and at attractively low prices (a good early MGF can now be had for less than the third of a price of a.

Did the TF end up having , not cheaper parts but did MG Rover in their infinite wisdom and possibly due to the fact that they were cash strapped, carry out a lot of cost cutting to the suspension and interior parts. You hear in different circles that the MGF Mk2 built from 1991 to 2002 was the best model to buy.
