

CLEAN ROOM STICKY MAT

SPECIALITY MAT

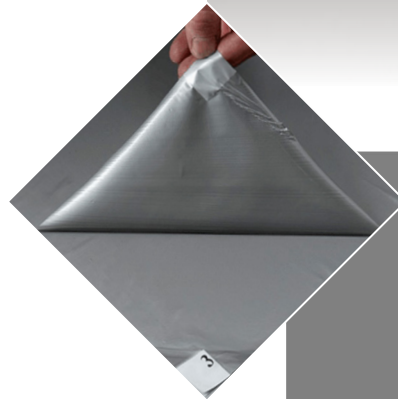

The tacky surface removes dust and dirt from your shoes as you walk over they can contaminate a 'Clean Room'.

Clean Room Sticky Mats come in pads with 30 layers of tough, laminated film. Once the top film becomes contaminated, simply pull off and discard.

FEATURES & BENEFITS

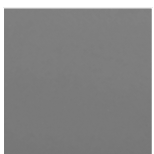

- Traps impurities in areas that require dust and dirt control
- Great outside entrance mats for any sensitive areas that cannot be contaminated
- Effective and easy to use
- 30 sheets per pad
