

HOG HEAVEN IMPRESSIONS LOGO MAT LOGO MAT

Hog Heaven Impressions Logo Mats feature the same excellent anti-fatigue qualities of our standard Hog Heaven Mat but can be customised with your logo or message.

Your logo or artwork is digitally printed on polymeric film and molded to durable nitrile rubber.

FEATURES & BENEFITS

- Comfortable high-density nitrile blended cushion provides years of useful service; cushion is molded, not glued, to the nitrile rubber surface so it won't separate
- Certified high traction by the **National Floor Safety Institution** from floor to mat
- Hard wearing
- Made with 20% recycled content
- Quick and easy to clean, simply sweep or mop
- Nitrile rubber surface is welding safe, grease/oil proof and chemical resistant **However, the printed polymeric film with your logo/imprint will be less resistant to elements than the mat*
- Thick Nitrile rubber borders remain flexible for the life of the product and will not crack or curl up
