

MULTI-PURPOSE RUNNER

ANTI-FATIGUE MAT

An extremely versatile heavy duty mat.

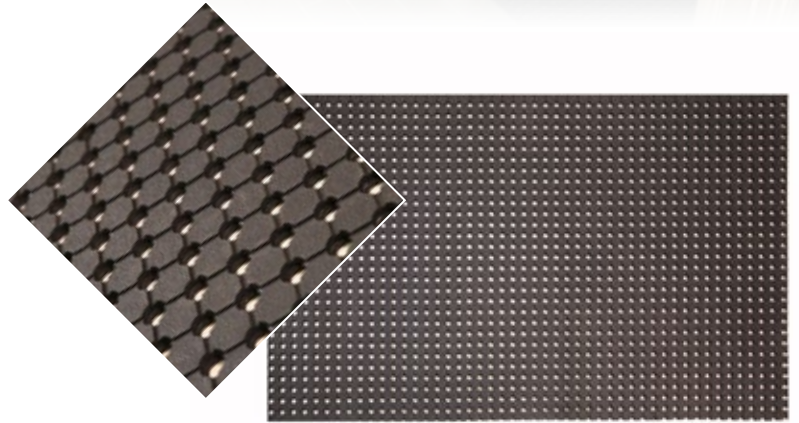

The multi-purpose runner is a great mat to cover large or small areas for short or long periods of time.

With holes throughout and a studded back, this mat is great for where you require drainage, and eliminates the possibility of corrosion underneath.

FEATURES & BENEFITS

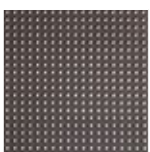

- We can cut to any shape you need
- Available in 10 metre rolls of a 1800mm width
- Also known as the 'Ute mat', the Multi-Purpose Runner is great to cut into the back of trucks, utes and even horse trailers to avoid damage to the surface and to lift products off the tray
