

PRINTED BERBER LOGO MAT

LOGO MAT

The **Printed Berber Logo Mat** is the ideal solution for slip-resistant entrance areas, where showcasing your custom logo or artwork is essential, or in any space prone to moisture, tracking, or dripping. Elevate your brand image with the perfect blend of durability, high definition, and eco-friendly design.

FEATURES & BENEFITS

- Digital printing process makes fine details, shading, and 3D images achievable
- The tight weave of Berber ensures durability
- The smooth surface of the Berber fabric allows for high-definition printing, ensuring a crisp and clear representation of your logo or artwork
- These mats contribute to environmental sustainability by featuring 80% recycled content reclaimed from plastic drink bottles and SBR rubber backing that contains 20% post-consumer recycled rubber from car tires
- Easy to clean - PET fabric is naturally resistant to staining and fading
- The loop pile "berber" construction boasts a hobnail design, giving the mat an upscale and appealing look
- The durable rubber backing not only enhances the mat's longevity but also ensures it stays in place, minimizing slipping hazards
- Colours are matched to our standard range of 56 colours
- Cleated rubber backing
