

SMARTGRIP MAT ROLL

SPECIALITY MAT

The SmartGrip Mat is designed for supermarkets and many other indoor environments where floor and slip protection is required.

The super absorbent and fast drying low profile construction allows trolleys to easily roll over the top, while the light adhesive backing leaves no residue and prevents the mat from any movement.

FEATURES & BENEFITS

- High traction mat surface provides safe walking surface
- Tacki-back adhesive system keeps mats flat and in place
- Moisture barrier keeps liquids from soaking through to the floor
- Easy to install
- Prevents slips, trips, and falls caused by wet floors
- Designed to perform well for 12 weeks under normal use
- Recommended for commercial use on hard floor surfaces
- Optional safety knife and basic cutting tool available
