- **Important Information Document** – this provides you with information on what demands and needs this insurance will meet as well as other important information. You must read this document, tick the necessary boxes if they apply to you, and then sign the document.
- **Terms & Conditions (T&Cs)** – these give you the full terms of your insurance policy and other important information. You should read these carefully to make sure the cover is right for you. You will be sent these following the delivery of your furniture.
