

FLEET FLIX AI+ PRO

Powerful, Reliable, and Fully Integrated
into Geotab.

This is the FleetFlix FAQs Brochure.

FLEETFLIX

AN OVERVIEW

Meet the FleetFlix AI+ Pro! With its AI-powered LDW (Lane Departure Warning) and FCW (Forward Collision Warning) advanced driving assistance features, the device prevents accidents by identifying potential dangers on the road ahead.

READY TO LEARN MORE?

Visit www.FleetFlix.com for more information.

FLEETFLIX AI+ PRO INSTALL

Can I complete the install myself?

- Yes, however for best results, we always recommend a professional installer.

What tools will I need?

- The included allen wrench
- The included wiring harnesses
- A measuring tape

Visit our resource page at FleetFlix.com to download our Installation Guide.

How long will install take?

- Install times vary for different vehicles but on average 20-30 minutes.

SETUP

Where will I view my cameras?

- The Fleet Flix AI+ Pro can be added and viewed directly with Geotab.

How do I enable my camera features?

- Your FleetFlix Support team will provide you with a complimentary camera training session that will cover rule set up and reporting.
- Call 678-759-2544 anytime to schedule your training.

STORAGE

Where will my cameras footage be stored?

- Events on the cloud for up to 90 days.
- 128GB SD card included (up to 512GB).

RECORDING

When are my cameras recording?

- The Fleet Flix AI+ Pro is recording anytime the vehicle ignition is on.
- Video Events will be triggered when rules are broken during a trip.

Do I have to record my drivers?

- No, you can disable the driver camera.

What do the Lights mean?

- Camera Start/Bootup - All 3 Lights Flash (Red, Orange, Green)
- Firmware Update - All 3 Lights Flash (Red, Orange, Green)
- Stand By - (Solid Red)
- Camera Online and Recording - (Solid Green)
- Camera Online and Not Recording - (Red and Orange)
- Live Stream - (Flashing Green)
- Offline - (No Lights)

DO I NEED TO INSTALL AN APP OR SOFTWARE TO ACCESS THE FLEETFLIX DASHBOARD?

We have a FleetFlix Add-In that can be installed to your organization's MyGeotab portal account, so you do not need to download an app or additional software. Our platform is supported on any web browser and can be viewed from any device.

IS MY DATA KEPT PRIVATE?

We take security seriously. Our state-of-the-art security standards prevent unauthorized or excessive access, maintain data accuracy, and ensure the correct use of information.
