Quick Start Guide

Step 1

Make sure the blender is properly plugged in. To turn on, press the power button on the back side of the base.

Step 2

Place liquid ingredients into the pitcher first, followed by soft, and lastly frozen and iced ingredients.

Step 3

Turn the adjustable speed knob to the desired speed or turn to prog pulse and select your desired preset function.

Step 4

Use the temper to keep the ingredients circulating into the blades.

Step 5

Turn off the blender, grab a cup, pour, and enjoy with your friends and family!

Step 6

To clean, add warm water, a drop of soap, and run the machine. Dishwasher safe.
