adorne® 20A One-Gang Pop-Out™ Outlet, Magnesium
Part No. ARPTR201GM2

The cleverest way to add power and style, this 20A pop-out wall outlet extends to offer 2-plug access, then uniquely disappears back into the wall with a simple push when not in use. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

Perfect anywhere you'd like to hide outlets when not in use, for added style and safety.

Provides 2-plug access when extended from wall.

Disappears back into the wall with a simple push when not needed.

Installs easily in as little as 15 minutes.

Comes with a special frame for mounting and requires a deep electrical outlet (22.5 cubic inches). No new wires required for typical installation.

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-shutters" for an invisible effect.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
