

SELETTI

MONKEY CHANDELIER INSTRUCTIONS

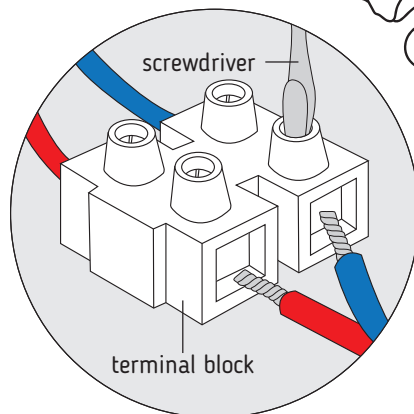

HOW TO FIX THE CHANDELIER TO THE CEILING

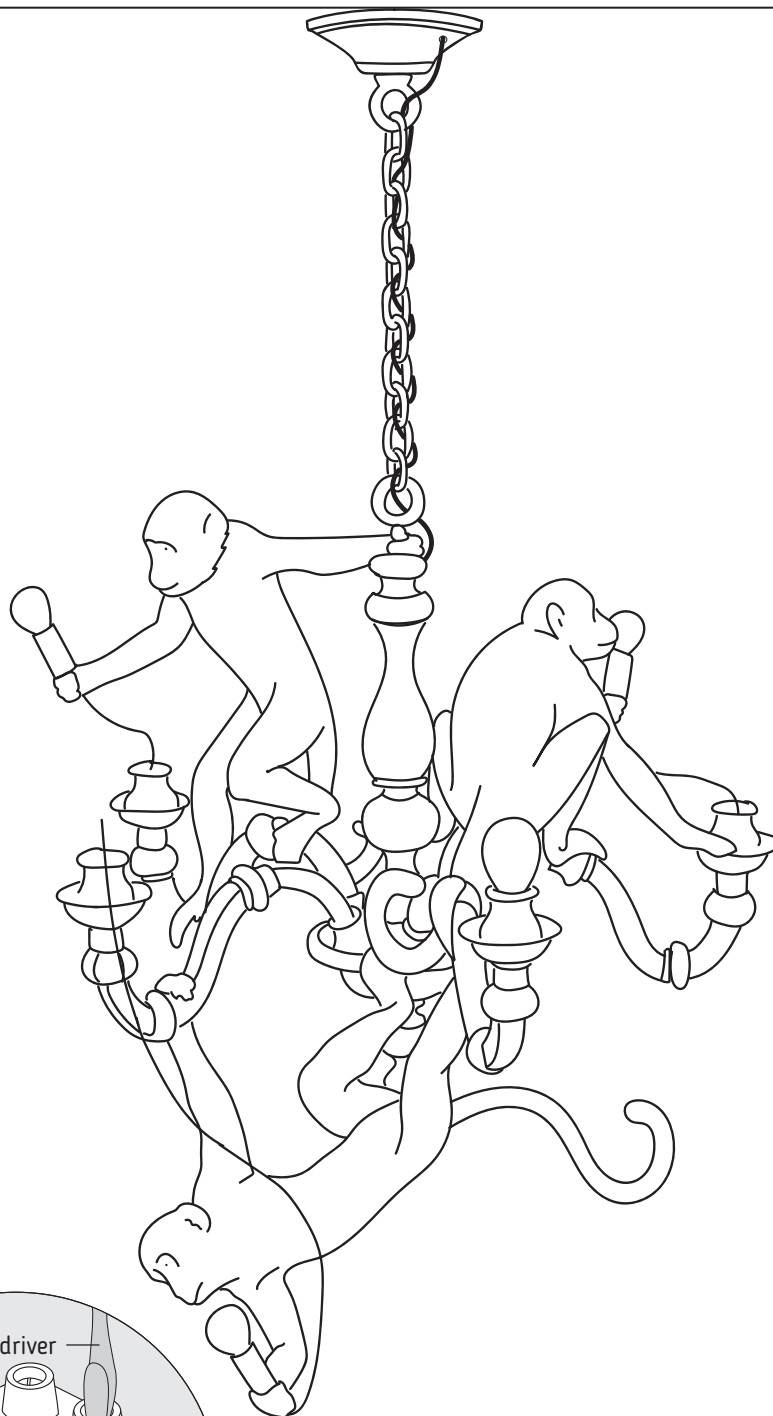

1. Unscrew the bracket from the semi-sphere

2. Fix the bracket to the ceiling using the plugs supplied

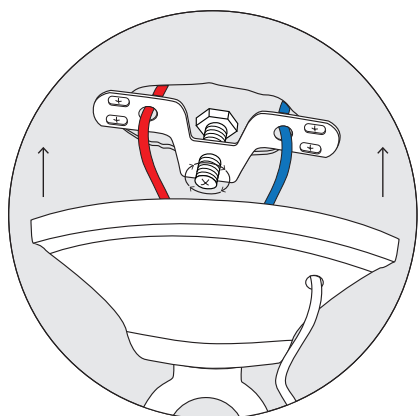

3. Connect the wires using a terminal block: red cable connects with L, blue cable connects with N

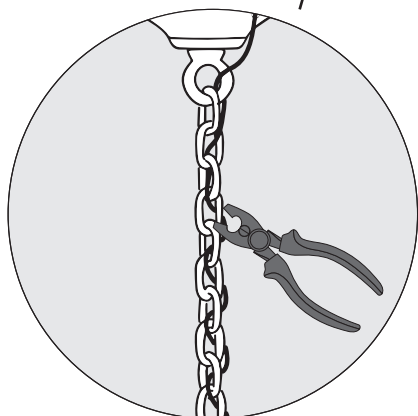

SELETTI

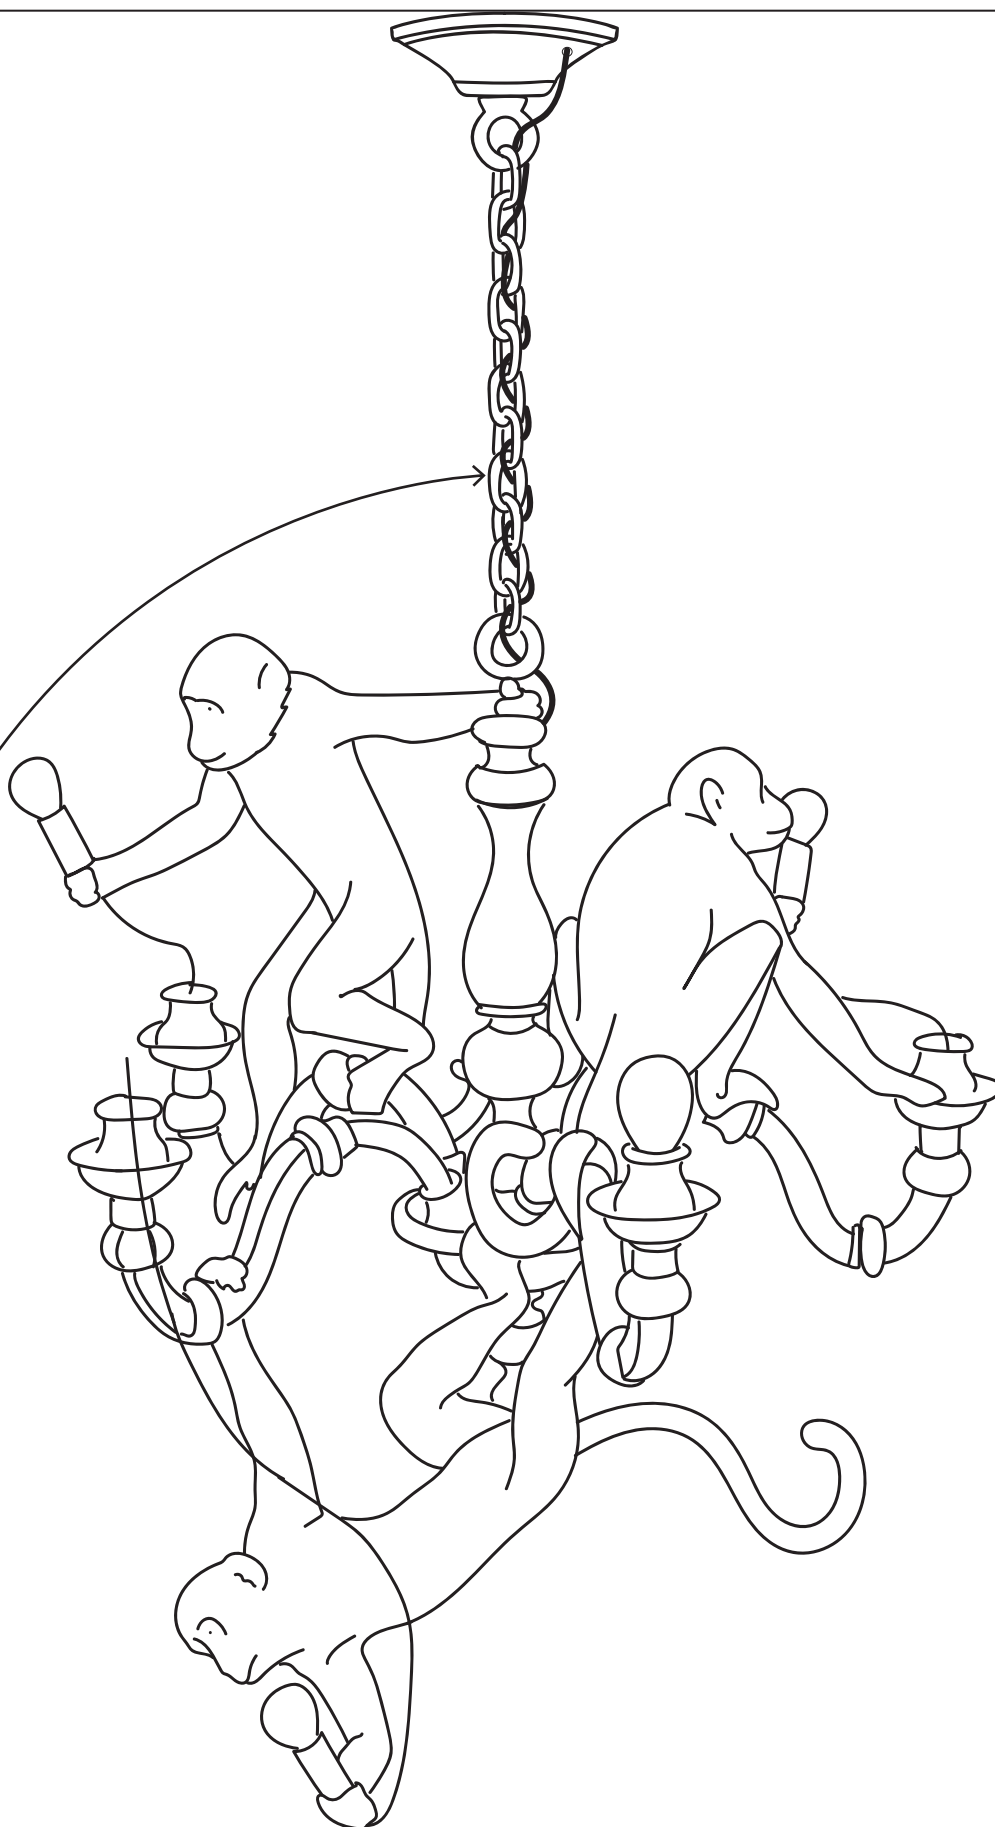

MONKEY CHANDELIER INSTRUCTIONS

4. Screw back the semi-sphere to the bracket

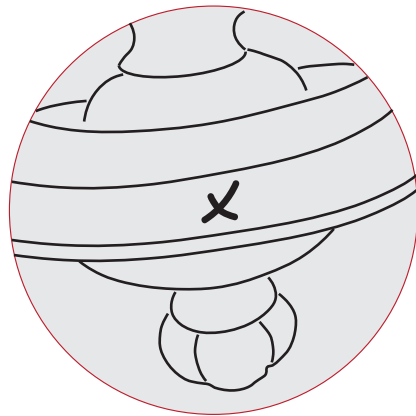

To shorten the chain, cut the rings with a suitable tool

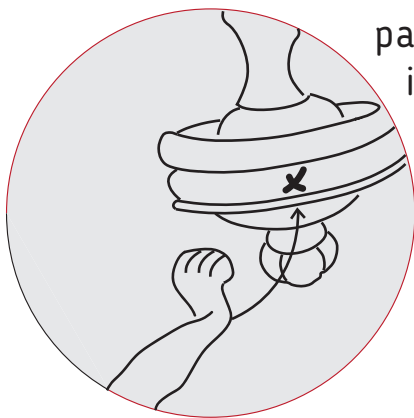

SELETTI

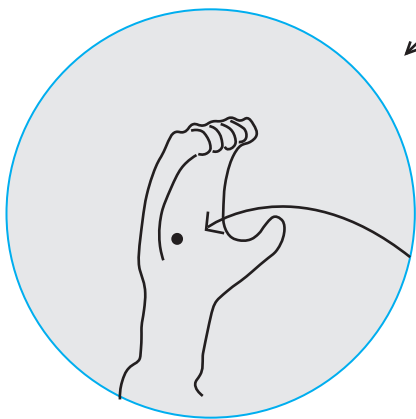

MONKEY CHANDELIER INSTRUCTIONS

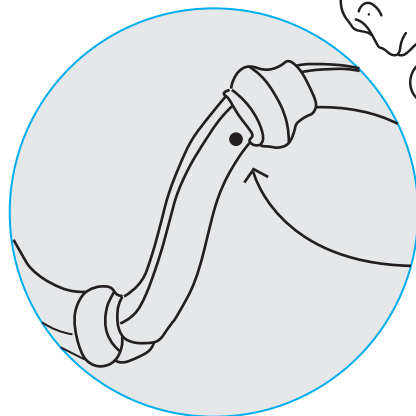

5. in the central part of the lamp there is an X to be used as reference

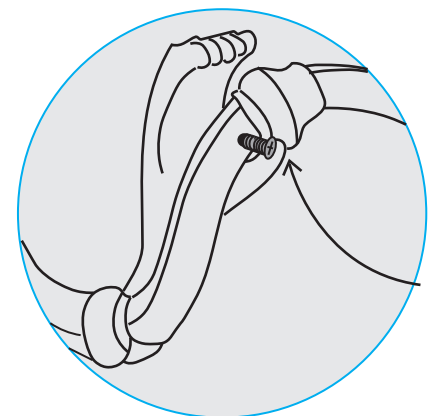

6. the left foot is positioned exactly above the X sign

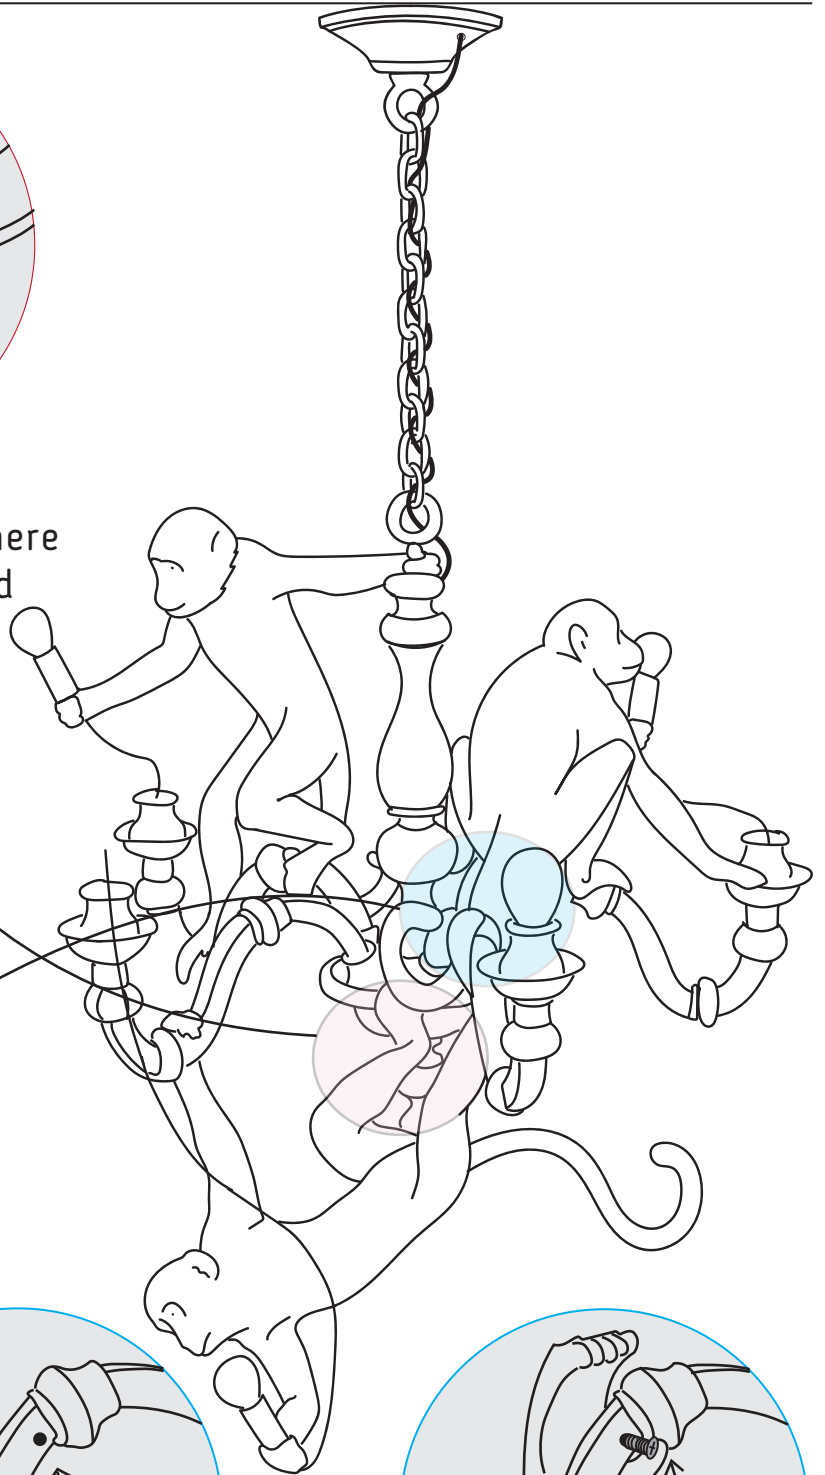

7. In the right foot we find a hole in the middle

8. if we have correctly positioned the right foot, the hole of the left hand will match perfectly with the hole on the chandelier arm

9. fix now with the screw supplied the two pieces

10. Now we put the cable
in the hand of the monkey

11. and at the end we
stick the light in
its hand
