430/PLG

Shaded gold plated finish ceiling light  
with amber crystal

Ø 48 cm    I 33 cm    7 Kg  
4x max 42W    E14

## The Amber series

The Amber collection stands out for its beautiful carved crystal. The cups and the details of an intense amber color are further enhanced by the shaded pure gold finish of the brass. Perfect to complete a classic and sumptuous but always contemporary furniture. The models in the 431 collection are supplied with cream-colored pleated organza lampshades.
