

adorene Collection
adorene® 15A Tamper-Resistant Half-Controlled Outlet, White
Part No. ARCH152W10

A modern upgrade for style, safety and energy management, this tamper-resistant, dual-controlled outlet from the adorne Collection installs easily in place of an existing outlet. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.

Allows you to cut power to one of the plugs when not in use to conserve energy.

Protects children with a patented tamper-resistant shutter system that prevents improper insertion of foreign objects, complete with "invisi-shutters" for an invisible effect.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
