 no bulb
 E12 LED bulb included - 2700 K, 90CRI,
 4 W, 350 lumens, 120 V AC

clear (GL-048)

satin nickel

brushed brass

dark bronze

black

* Each piece of hand-blown glass is a unique work of art. Dimensions, weight, and color will vary. When multiple fixtures are installed next to each other, expect some variation in shape and color.

** Alternate voltages and socket types are available upon request.

This series of wall sconces is classically inspired. Scaled versions of our pendants extend from elegant metal armatures. The proximity of the glass to the wall allows for each piece's unique light pattern to be magnified. Hand blown and shaped in lead free crystal. No molds are used, and each glass shape is unique. Designed and made by Siemon & Salazar in California. Signed.
