

Project:

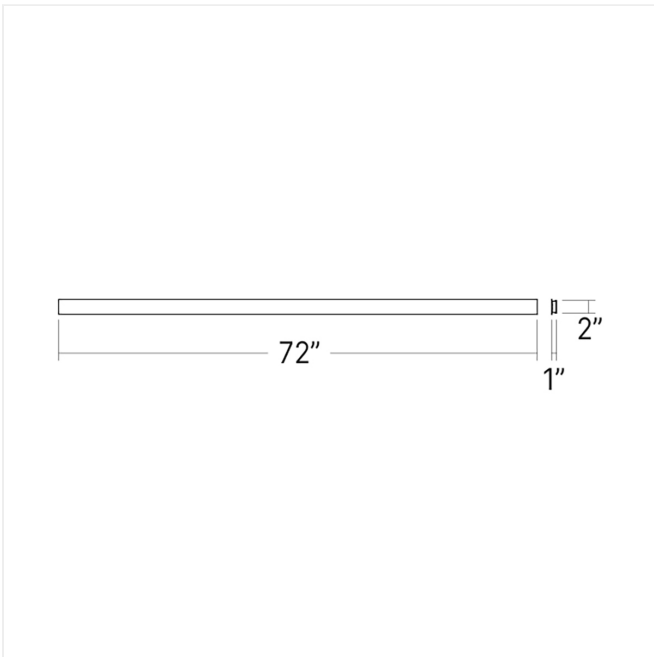

# Lithe 6' 2-Sided Wall Lamp Spec Sheet

SKU: 3456.77

Referencing the industrial elegance of an H beam used in engineering and architecture, Lithe is designed to evenly distribute light in two directions. This sleek and minimal collection is ideal for any modern space, including residential, hospitality and commercial settings. The family includes [pendants](#) and wall lamps in textured black, textured white, and natural anodized finishes.
