# NIVÉL PEDESTAL

## DESCRIPTION

At the intersection of functional lighting and furniture, you find Nivél. As an adjustable height side table, Nivél provides a totem to gather around. Portable and rechargeable, Nivél enables users ro bring light to areas not serviced by power outlets. Sturdy enough to rest a few beverages atop while nimble enough to be raised or lowered at a moment's notice. Its cleverly designed light module rests securely fastened around a solid wood post fastened to a powder-coated steel base for added footing. A soft ambient downward facing light panel completes the package, bringing an unobtrusive light source to your home or office space. The post is offered in both solid oak and walnut and can be paired with a powder-coated tray in White, Terracotta, and Black.
