## DESCRIPTION

At the intersection of functional lighting and furniture, you find Nivel. Nivel Table is an adjustable height portable lamp. Perfect for indoor or outdoor use, Nivel provides a totem to gather around. Portable and rechargeable, Nivel enables users to bring light to areas not serviced by power outlets. Its cleverly designed light module rests securely fastened around a solid wood post fastened to a powdercoated steel base for added footing. A soft ambient downward facing light panel completes the package, bringing an unobtrusive light source to your home or office space. The post is offered in both solid oak and walnut and can be paired with a powder-coated shade in White, Terracotta, Forrest Green, Slate Blue, Espresso and textured black.
