

Ofelia micro _Table

Ofelia micro is a rechargeable battery-powered cordless table lamp. A "touch" control on the head allows switching on/off, dimming, and selecting the color temperature of the light (2200K, 2700K or 3000K). Ofelia micro is equipped with the dimmer memory function, which adjusts the light intensity and memorizes the dimmer steps. It is suitable for both indoor and outdoor use. The lamp comes with a contact charging base; battery charger included.
