

The latest OLO appears in the form of table and floor lamps, with the ever-present simplicity and elegance of the silhouette, showing the purity of function and intention.

Originated from a circle or a line, OLO Uses the basic elements to create the picture of light. Designer White challenges our every imagination by series that are designed to be limitless in possibilities. Rotatable lamp shade embedded in cutting-edge design of hollow circles with glare-free LED lighting, the CRI 90 softened light can impressively create practical as well as ambience. Occasionally light distribution is allowed due to the rotatable structure of each shade. Upside or downward, let your imagination run wild and allow the fun to begin.
