

TOTEM TABLE

DESCRIPTION

Totem is a versatile lighting collection comprised of exquisitely blown opal glass shades designed around a modular platform. Totem's soft, pure white geometric forms provide a charming interplay of unique combinations to provide warmth and elegance to any space. Table lamps are offered in 5 shade combinations ranging in size and stature. Totem Table provides striking, ambient illumination by employing a two-part LED light engine that provides both uplight and downlight resulting in a warm and dimmable ambient glow projecting through its softly diffused glass structure.
