VERTIGO NOVA WALL LAMP

DESIGNER : CONSTANCE GUISET

YEAR : 2020

ORIGIN : FRANCE

MATERIAL : GLASS, POLYURETHANE, FIBERGLASS, STEEL

2 YEARS WARRANTY (LED 5 YEARS)

Vertigo Nova is a highly technical collection that doesn't compromise on the design's iconic poetic elegance. A line that comes in black or white, for two subtly different moods

mount, Vertigo Nova quivers as the geometric curve of the hand-mounted fiberglass hoop reacts to the lightest of breezes. The sculptural form and movement of the light draws in the keen appreciative eye.

Be it as a floor lamp, suspension light, or wall
