The smartest way to take control of lights and power, optimized for whole home use.

Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, adorne® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart light switches, smart dimmer light switches and smart outlets to build a solution that perfectly fits a home's unique space and needs.

Control lights at the wall with this sleek sofTap® switch, or through the intuitive app. Pair this smart switch with the Wireless Smart Switch with Netatmo to gain easy 3-way control.

Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

## Features & Benefits

| | |
|---|---|
| Smart Gateway REQUIRED | Control lights from smartphones and tablets with the Legrand Home + Control app. Even schedule lights to turn on/off automatically, create groups, set scenes and monitor energy usage |
| Features ultra-reliable performance through a robust and dedicated mesh-network | Installs easily in place of an existing single-pole switch or dimmer (neutral wire required). For easy 3-way control, pair with a Wireless Smart Switch with Netatmo |
| Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems | Flexibly fits a home's unique needs with a variety of supported smart switches, dimmers and outlets, including wireless switches and dimmers |
| Available color options include White, Magnesium, and Graphite | Pair with designer wall plates from the adorne® Collection to fit any style |
