

Smart Lighting lets you set the exact lighting you need, from anywhere, adding safety and convenience to your home. And delivering it all with unprecedented range and reliability, adorne® with Netatmo leverages leading Netatmo technology to provide an ideal solution for larger homes with many smart products. Start with the Smart Gateway to establish a robust and dedicated mesh network, then add smart switches, smart dimmer switches and smart outlets to build a solution that perfectly fits any space and need.

Pair this softTap® battery-operated smart light switch with an adorne Smart Switch with Netatmo then add to any wall to control the same light from an additional location – no wires or tools needed. Use the included adhesive to mount anywhere in minutes. Perfect for rooms not wired for 3-way control.

Made exclusively for use with Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

Smart Gateway REQUIRED

Control lights from smartphones and tablets with the Legrand Home + Control app. Even schedule lights to turn on/off automatically, create groups, set scenes and monitor energy usage

Installs easily, no wiring required, for ultimate flexibility. Simply mount to any wall for long-lasting, battery-powered control

Perfect solution for adding 3-way control, no wiring required, when paired with a Smart Switch with Netatmo

Compatible with other smart products through Amazon Alexa, Google Assistant and Apple HomeKit, as well as with home automation systems

Features ultra-reliable performance through a robust and dedicated mesh-network

Available color options include White, Magnesium and Graphite Pair with designer wall plates from the adorne® Collection to fit any style

Must be paired with a Smart Switch or Smart Plug-In Switch from the adorne or radiant with Netatmo solutions

Specifications
