

**WARNING!**

Be sure electrical power is OFF before and during installation or maintenance.  
The luminaire must be installed by a qualified electrician, in accordance with all applicable local codes.

Ensure that the rated luminaire voltage requirements are compatible with the available mains supply in which it will be installed.  
All LEDs are included in your lamp. Never touch the LED surface with your bare hands as this may reduce the life of your LED.  
Do not alter, relocate or remove any electrical component.
