

**PRODUCT DESCRIPTION**

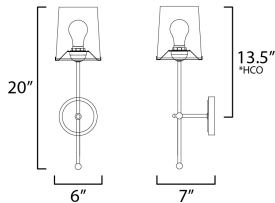

Satin White shades taper in a classic fabric shade shape and rest on elegantly thin frames of Satin Brass or Satin Nickel. They are supported secured by a mostly concealed structure with coordinating semicircular tabs that complement the spherical joints of the frame. The modern design details and updated shade materials refresh the outlook of a timeless chandelier though its use of thoughtful features.

**MEASUREMENTS**

DIMENSION : 6" W x 20" H x 7" Ext
