Light Defying Gravity

# Equo

Equo is a willowy sculpture functioning as an LED desk lamp or floor lamp. The lamp has a streamlined counterweight design for feather-light adjustability. One finger is all you need to adjust the floating arm's position, and the tilting head stays at the angle you set. When the best in design meets clever engineering, the result is Equo, in all its elegance.

Desk

Floor

Lumens: 360  
 Energy Consumption: 6 W  
 Rated Lifespan: 50,000 hours  
 Color Temperature: 4,500 K / 3,500 K  
 Color Rendering Index (CRI): 85  
 Brightness Adjustability: Continuous dimming  
 Material: Aluminum, plastic  
 Safety Rating: C-UL-US Certified  
 Warranty: 5 years  
 Voltage: 120 V  
 Standard Finishes: Black, Chrome,\* Orange, Silver

\*Chrome finish available on warm light (3,500 K) model only

ELX-A-

CD = Cool Light (4,500 K)  
 WD = Warm Light (3,500 K)

BLK = Black  
 CRM = Chrome\*  
 ORG = Orange  
 SIL = Silver

DSK = Desk Lamp  
 FLR = Floor Lamp

Occupancy sensor\*  
(P7-02-OCC01A)

\*Sold separately

## LEED Information

### Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.

Koncept's LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

### Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting.

Koncept's portable task lighting products provide more than three lighting levels that occupants can easily adjust to suit their needs. Furthermore, all Koncept lighting products use high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours. Desktop and task personal lighting also provide the opportunity to reduce overhead lighting.

Light source placed 15" away from surface
