adorne® Timer Switch - Manual On/Timed Off
Part No. ASTM2M2

Great for places where you might often forget to the lights off, like bathrooms or basements. This switch features Manual On/Timed Off control, so you can easily turn lights on when entering a room and then let yourself go worry-free, as the lights turn off automatically at a preset time, like after you leave for work or to take the kids to school. Made exclusively for use with screwless Wall Plates from the adorne® Collection, sold separately.

Features & Benefits

Installs in 15 minutes or less, fitting into an existing electrical box. No new wiring required for typical installation.

More color options available to fit any style, including finishes to match current hardware and lighting trends.

Complete the look with a stunning, screwless adorne® Wall Plate, not included. Available in a range of contemporary colors and finishes. Coordinate with other designer switches & outlets.
